The College Hall  
Old Students' Association.

Founded January 16th, 1896.

**Objects.**—The original object of the Association was to enable past Students to keep in touch with one another, but the scope of its activities was much widened by the Grove-Morison Bequests. The Grove Bequest of £500 was received in 1905, and the Morison Bequest of £500 in 1912. These bequests were made to the Association unconditionally, but are nevertheless regarded as a Trust. The interest arising from the investment of the capital sums has been applied from time to time for the benefit of members of the Association, and individual present Students in need of monetary assistance. These grants are administered by a special sub-committee, whose proceedings are strictly confidential. Donations have also been made to the Bungalow.

**Membership.**—All Students who have resided at College Hall and have now left are eligible for membership.

All Students in residence who have been three years at the Hall are eligible for membership.

The subscription is 3s. per annum, or £2 for life.

**Privileges of Members.**—Members may use the College Hall Library (as a Reference Library only), and may have Luncheon (on Saturdays only) or Supper at a charge of 1s. 6d., and Dinner at a charge of 2s.

Resolution of Council of College Hall, June 8th, 1903:—

“That Old Students wishing to avail themselves of the privilege of staying occasionally as guests at the Hall must make application to the Principal.”

The guest fee for Old Students is 7s. 6d. per night. No reduction is made for meals not taken at the Hall. No guest may reside at the Hall at this reduced fee for Old Students for longer than one week. In case of longer residence the ordinary guest-fee will be charged.

**Meetings.**—Two meetings are held during the year, the Annual Business Meeting in January, and a Social Meeting. The Committee is elected annually at the Business Meeting.

The furniture in the Visitors' Room at the Hall is the property of the Association. It was presented to Miss Grove when she retired, and was left to the Association by Miss Morison.

## Report for 1919-20.

**The Social Meeting.**—It having been decided at last year's Annual Meeting that the war time practice of holding the Social Meeting on the same day as the Annual Meeting should be discontinued, there is no Social Meeting to report this year. The 1920 Social Meeting will be held on the evening of Friday, June 25th. The attention of London members is called to the slip enclosed with Report.

**The 24th Annual Meeting** was held on Saturday, January 24th, 1920, Miss Boileau in the Chair. Miss Alleyne and thirteen other members present.

The Treasurer presented the accounts, which will be found on page 13. A deficit of £13 17s. was shown on the ordinary account. After some discussion it was decided that the Annual Subscription should be raised to 3s. and the Life Subscription to £2 as from January, 1921.

The Treasurer was instructed to take further steps for the recovery of income tax on the income of the Grove-Morison Bequest.

The Treasurer and Secretary were re-elected. The Treasurer stated that she was proceeding to Australia

for a year, but that the Secretary was willing to perform her duties during this period. A resolution was passed authorizing the Secretary to operate on the banking account.

The Committee were re-elected, except Miss Daintree (resigned.) Miss Coutts and Miss Ridgeway were elected in addition.

A vote of thanks to Miss Simpson for her continued help with the accounts was proposed from the Chair and carried unanimously.

It was also proposed from the Chair and carried unanimously that Miss Dobson be elected an honorary member of the Association.

It was decided to hold the Social Meeting on the evening of Friday, June 25th. It was further decided that in view of the present difficulties in travelling and in hotel accommodation that the London members be asked to offer hospitality for the night.

**Grove-Morison Bequest.**—A resolution was passed authorizing the payment of the deficit on the ordinary account out of this fund. It was announced that a grant of £10 had been made to a student. A grant of £5 was made towards the Library Fund.

It was reported the new piano, towards which the Association last year subscribed £10, had been purchased and was very satisfactory.

**Secretary's Report.**—There seems to be practically nothing to report this year, it being one of transition from war to peace conditions. There is a satisfactory increase in the number of new members, but the Secretary and Treasurer, like Oliver Twist, ask for "more." Attention may, perhaps, be once more called to the fact that this Association is something more than a mere social institution. It is the trustee of the Grove-Morison Bequest, which is largely used to help past and present students in need of temporary financial assistance. The larger the number of members, the less shall we be obliged to trench on this fund for ordinary expenses. Every past student who leaves Byng with any sense of loyalty and gratitude should join the Association and share in the Grove-Morison Trust; a trust in effect, though not in name. Members who know Old Byngites who have pleasant memories of the Hall and who yet are not members of the Association, are asked to approach them personally. Many, perhaps, have not joined through inadvertence or through ignorance of the work in connection with the Grove-Morison Bequest. The Secretary will be pleased to forward membership forms, etc., on application.

The Association will be pleased to learn of the continued popularity of the Hall. It will sympathize with the executive officers and the Council in the financial difficulties, which are due solely to the rise of prices; difficulties which are, unhappily, shared by all educational and similar institutions.

Once again the thanks of the Association are due to Miss Alleyne for all her help. We thank her not only for her actual service to the Association as a whole, and to its members individually, but for the spirit of friendliness in which it has been rendered. Old students have expressed to the Secretary their appreciation of the welcome which meets them at the Hall.

**Old Students' Representative on Council.**—Miss M. C. Bell, M.B., B.S., having consented to stand for re-election and there being no other nominations, she was duly declared elected.

Members of the Association who have the necessary qualifications are earnestly requested to put their names on the Roll. Requests should be addressed to the Bursar at College Hall, from whom all particulars can be obtained.

## Obituary.

### VENDA P. THOMAS.

The Secretary regrets that another name should have been added to our last year's obituary.

V. P. Thomas had only belonged to the Association a short time, since she had only recently left the Hall. She had not completed her medical training at the R.F.H.; had she lived she would have taken her Final London in 1919. Though necessarily unknown to most members of the Association, general regret will be felt at this early cutting off of a promising young life.

She died very suddenly in the R.F.H. from heart failure following an operation for appendicitis on December 22nd, 1918, aged 24 years.

## College Hall, 1919-20.

There is little of special importance to chronicle since the last Report appeared. The demand for accommodation is greater than ever, and although the addition of the Annexe brings our numbers up to 54, this is still quite inadequate. There were forty disappointed applicants at the end of last session, and there is already in March a still longer waiting list for next October, and any chance vacancy is snapped up immediately. The increased work of the Administrative Staff necessitated the appointment of a third member as Principal's Assistant, and Miss Maud Burns, who joined us last September, has already proved herself invaluable to us all, and a most welcome addition to our community.

The Annexe is more popular than ever, now that a large room has been given up as a Common Room, and the Saturday and Sunday tea parties there are greatly appreciated.

The War charge, which was not imposed till October, 1916, having proved insufficient with regard to the ever-increasing cost of living, the Council decided to discontinue the service of luncheon in the Hall from Monday to Friday inclusive, from January, 1920; Students now make such arrangements as they please. They were also notified last November that from next session, beginning October, 1920, a higher scale of fees will be charged for all residents.

The examination results throughout the year have been highly satisfactory, whilst there is also abundant evidence that members of "Byng" can play as well as work!

The Rifle Club has been revived; dancing classes were started in the autumn term, which proved very popular; a generous grant from the Crabb Robinson Trustees is providing the use of a tennis court for the summer term.

The present Students are indebted to the C.H.O.T.A. for most welcome gifts—£10 towards the cost of a new piano and £5 for the Library Fund, and I would conclude with an expression of our grateful thanks for these, and for the continued interest of many individual members in their successors at "Byng."
